Victim-Samantha Baker and Jordan Baker

THE DETAILS SURROUNDING THE CRIME

On the eve November 30th 1995, Samantha and Jordan Baker were attending church. When driving down County Road SS, Batavia, Wisconsin, their car was stopped. It is here they encountered Connor Owens. Connor Owens likely removed the couple from their vehicle and abducted them in his own. Evidence of a struggle as well as multiple assailants footprints indicate he had help. Said help is likely the mob, as allegedly has ties to underground gang affiliates and terrorist organizations, that are on the CIA's watch list.

Connor Owens is suspected of aiding in the human trafficking of Samantha and Jordan Baker. Based on habits of his gang affiliates, it is likely that they were trafficked further north-west of Batavia, Wisconsin.
